Petitioner is requesting: \_\_\_\_\_

(Attach additional pages of explanation if needed)

What the land is currently used for and for how long, including any existing variances or conditional uses:

A hearing will not be scheduled until after the application is deemed complete. To be considered complete, the application must include, at a minimum, the items listed below. After a preliminary review additional information may be needed.

- A detailed written statement that specifically identifies what is being requested.
- A complete site plan showing at a minimum the location of all existing structures, all proposed structures and the exact distances between.
- The location or proposed location of septic system, well, underground utilities, driveway, property lines, navigable water ways, wetlands, field lines and any other unique limiting condition of the property.
- The name and mailing address of all owners of property that adjoins the parcel that is the subject of the request, including those on the opposite side of the road and within 500'.
- Non-Refundable Application fee of \$300

I hereby petition Town of Franklin for the above and certify by my signature that all information presented herein is true and correct to the best of my knowledge. I further agree to withdraw this application if substantive false or incorrect information has been included.
