The Town of _____ Zoning Ordinance **requires** a plot plan to be attached to this application.

***** Initial all to indicate that you have read and understand*****

	Statements made in this application shall be made as if under oath and any willfully false statements shall subject the person to the penalties of the town's and county's ordinance.
	I have checked with the DNR and no wetlands are involved with the project for which this permit is requested; and/or if wetlands are a consideration I have received DNR approval to proceed.
	I have checked with Kewaunee County Zoning and I have the necessary approval and/or permits required. (Kewaunee County Shoreland Zoning applies within 1000 ft of lakes/Green Bay and 300 ft of navigable rivers/streams)
	If you are constructing a new home you are required to obtain a building permit from the town's building inspector, regular inspections are required during construction. Contact the town's building inspector before you begin site work and construction. Penalties may apply for failure to contact the building inspector before you begin.
