

Town of Franklin – Kewaunee County, Wisconsin

Notice of liability for damage to Town of Franklin roadways

Building permit holders for construction within the Town of Franklin will be held responsible for damage, due to negligence to town roadways occurring as the result of construction activities. As provided in Chapter 81 of State Statutes: Whenever damages happen to any person or property by reason of any defect in any highway or public ground, or from any other cause from which any town, city, village or county would be liable, and such damages are caused by or arise from the wrong, default or negligence thereof any person, or private corporation shall be primarily liable..." Chapter 81 also assigns liability for repairs to town roads necessitated by damage caused by heavy motorized vehicles.

Town roadways include the pavement, graveled surfaces, ditches, signs, culverts, bridges, etc.

It is recommended that permit holders refrain from activities involving heavy loads during Spring months when roadways and ditches are particularly susceptible to damage.

The Town of Franklin, Kewaunee County, WI will be notified a week in advance of the start of construction. Contact Dave Wesley, Town Chairman at 920-819-7087.
